

Mission Homework – due Friday 9/27

1. Go to website <http://www.jpl.nasa.gov/missions/> and choose a mission. It may be a past mission, one currently in progress, or a future mission.
2. Write a 1-2 paragraph-length summary of the mission (remember, a paragraph is 5+ sentences 😊)
3. Prepare to share your mission on Friday in class. You will need to write your summary in your SNB and have it with you on Friday.
